Key Outcomes In PE and Sport 2022-2023

We are very proud of our inclusive attitude to sport and physical activity. Where the below statements say 'all pupils', this is not generalisation or rounding up: 100% of our pupils really engage in a huge range of physical activities!

- All pupils in EYFS, Key Stage 1 and Key Stage 2 received an average of 2 hours a week PE or more across the academic year.
- All pupils in EYFS, Key Stage 1 and Key Stage 2 took part in a range of intra-school competitions including rounders, athletics and football.
- All pupils in Key Stage 2 took part in inter-school sports competitions including Athletics and Tag Rugby.
- All pupils in Key Stage took part in 11 weeks of swimming lessons in the Autumn Term.
- All Pupils in Year 6 could swim confidently to the expected standard in the National Curriculum and all could demonstrate water safety skills and understanding.
- All pupils in Key Stage 1 and EYFS took part in a teacher-led 'daily morning run' through at least half of the school year.
- All pupils in Year 6 (as well as some in year 5) took part in Expedition Club, which included independent healthy cooking, camping, navigation and first aid skills, as well as regular walking activities culminating in 2 overnight expeditions: a local hill walk and a hike up Harrison Stickle in the Lake District.
- Pupil Parliament led a review of playground activities and equipment, which ensured that breaktime sports were inclusive to all pupils regardless of age, as well as helping to prioritise spending on new playground equipment.
